

IN HAND SOUVENIR AUDIO GUIDES

Our souvenir audioplayer approach removes the hassle of 'rented out systems' for visitors at tourist sites – now they simply buy an audioplayer, enjoy it and bring it home. Lowers staff costs and maintenance of equipment, no return element – simply sell the player! It is a take-away souvenir

MORE PROFIT:

You don't rent them... you sell them... at a profit.

AND SAVE ...

on time, staff and resources.

Other players can't do this.
